

Thyroxine Sodium (Eutroxig/Oroxine)	T3 (Liothyronine)	Thyroid Extract (T3 AND T4)
50mcg	12.5mcg	30mg
100mcg	25mcg	60mg
150mcg	37.5mcg	90mg
200mcg	50mcg	120mg
250mcg	62.5mcg	150mg
300mcg	75mcg	180mg

These are approximate clinical equivalents and should only be used as a guide for dosing adjustments for changing from one thyroid hormone to another. Patients may still require fine adjustments of dosages since the equivalents are only estimates.
